## 5. Juniors, Divari, & IKIS

- Discussions amongst the junior coaches for Vantaa, Kilppari, Espoo, and Warriors have concluded that there is no obvious official divisional structure for juniors in either U12, U14, or U16.
- In addition, junior coaches will organise and umpire all events so no official Hockeyliitto sanctioning is necessary. All players will buy a license and all games will be recorded in Torneopal.
- Divari and IKIS is also unclear because of player availability. There is enthusiasm for a mix of junior and senior players in games called “badgers matches”.
- Competition dates have been identified for all of these formats and teams can register their interest to play but games will be organised in cooperation with the junior games and consulting the Competitions Committee when necessary.

N.B. Please send an email to [cavnoel@icloud.com](mailto:cavnoel@icloud.com) if you cannot register a junior team but you do have individual players you would like to find a team for them to represent for the 2024 summer season.
